

McGuffey Foundation School families are invited to join us for

Oxford Empty Bowls

A benefit soup luncheon dedicated to hungry people in our community featuring the artwork of McGuffey Foundation School students!

In conjunction with Miami University's "Make a Difference Day"

Saturday, November 6, 2010
11:00 a.m. - 1:30 p.m.
Oxford United Methodist Church

Purpose: To join other Empty Bowls projects worldwide to raise awareness and money to combat hunger. Proceeds will be donated to the Oxford Community Choice Pantry to support its effort to provide food to local families in need.

How it Works: At the luncheon, guests choose from amongst a collection of beautiful, handmade bowls created and donated by Miami University art students and Oxford area potters. Their bowls are then filled with their choice of soups made by local cooks. Luncheon guests then keep their bowl to use or display at home and to serve as a reminder that there are always empty bowls in the world. Homemade bread, dessert and beverages donated by area businesses will also be served.

Cost: \$10 adults; children 10 and under may choose and fill a bowl for free.
